# Masai Course Platform

# Masai Course Platform Dark Mode

## Why should I use Dark Mode?

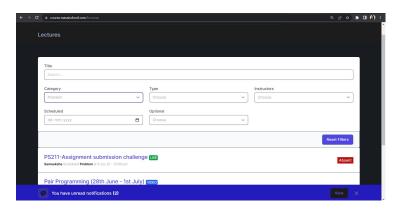

It emits less blue light, hence reduces eye fatigue & dry eyes, mainly in low lighting.

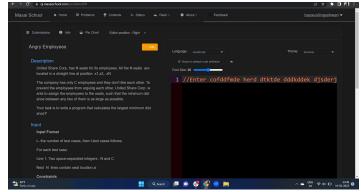

Dark mode users find reading easier in low light with less eye strain. Research says that Dark Mode Users fall asleep quickly and stay asleep longer.

It also increases your device battery life.

### Why are we not using Sauron Extension?

1.White colour is more and other UI Issue

2.OJ cursor issue

3. If other websites are in dark mode by default, it converts to white mode back again
